

IN SACRAS CANTIONES NICOLAI GODTSCHOVII, Mulici svavissimi.

Threscius vates cautes, fluviosá, canoro
Threscius vates carmine movit: idest,
Moribus agreftes homines deterruit, aquam,
Suavisonis modulis Iusticiam docuit.
Jurarem, ni aliter doctus, nos posse renasci,
Iná, alios animas posse redire homines:
Sictua, GODSCHOVI, Phæbea melismata doctos
Mulcent, acsi Orpheus viveret & caneret;
Extinctam Eurydicen revocas ex faucibus Orci,
Cantica dum promis grata polo atá, solo.
Fallor! an ex cinere Ismarius novus ore revixit
Ambrosio, nostri gloria, luxá, chori.
Ofelix Orpheus! Carmen tibi dictat APOLLO, 65
NATVRA in laudes officiosa tuas.

M. JOHANNES NEUCRANTZ Rostoch. Cantor Marianus.
